Important note:

Other drains can be compatible too, but have not been tested by us. You may review them with our drawings available on www.schmidlinusa.com

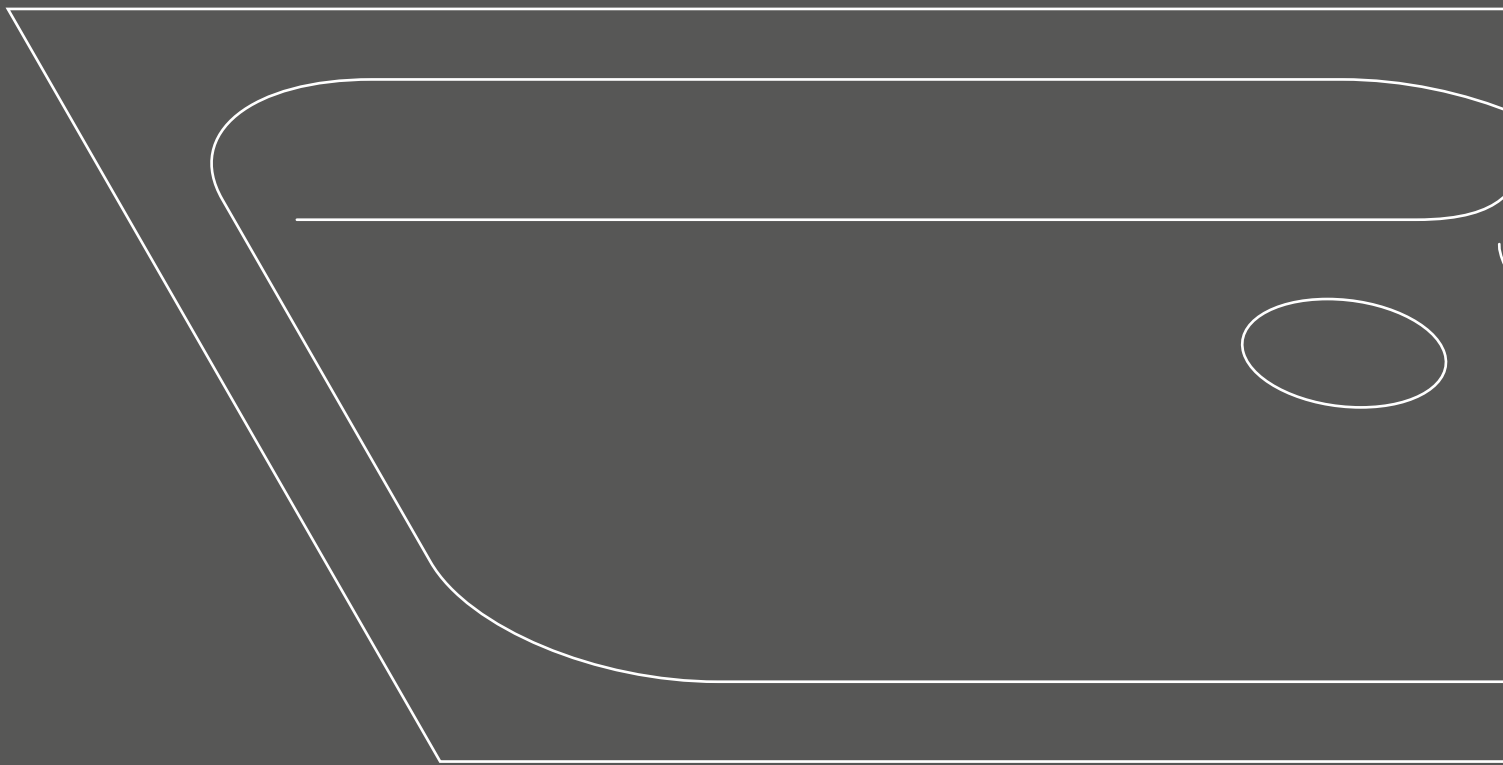

For all orders of drain fittings from Mountain Plumbing and OS&B: the type of finish must be specified. Replace FFF by code for finish / color.

Schmidlin reserves the right to change the allocation of other manufacturers SKU numbers or specifications without notice and without any obligation or liability whatsoever.

¹ This product is only available through contact with OS&B customer service, customerservice@osbplumbing.com

² Waste and overflow kit installation may require the use of CSA certified flexible spa hose due to internal clearances.
