	Thermal insulation and acoustic solutions
	Advanced solutions for commercial washrooms, emergency safety and industrial applications
	InnoFlue® Polypropylene vent systems
	Brass, steel, PVC, bronze pipe nipples and malleable iron pipe fittings
	Flexible couplings, shielded couplings, lateral connections, internal seals, water management and sealants
	Toilet repair products including fill valves, flush valves, flappers, repair kits, wax/wax-free toilet seals, tank levers and water supply connectors
	Stainless steel and composite sinks along with accessories
	In-wall carriers, bath waste and trap systems
	Floor drain solution that provides protection against harmful sewer gases and contagious pathogens
	Bathtubs, sinks, faucets, medicine cabinets, bathroom accessories, and showers
	Stainless steel fixtures designed for use in the most demanding environments
	Contractor-preferred power tools, accessories and jobsite equipment
	Gas fired tankless water heaters and boilers
	Complete offering of bottled and pressure water coolers & point-of-use stations for schools, offices, hospitals, municipal buildings, etc.
	Offers a wide variety of products for the plumbing sector
	Blocking plugs, bypass plugs, specialty chemicals, testing equipment and accessories
	Brass tubular, plastic tubular, bath waste and overflow, baskets and sink strainers
	Toilet bowl setting wax, gaskets, bolts, supply box accessories, thread sealants, putty, caulks and water barriers
	Cements, primers, heating chemicals, anti-freeze, Johni-rings, Johni-bolts, and thread sealants
	Pipe insulation solutions for residential, commercial, and copper plumbing and HVAC application
	CSST gas system using stainless steel gas tubing for natural gas piping and propane

Shower drains, freestanding tub drains, and bathroom accessories

Advanced tie-down available for truck and van racks with multiple mounting styles to fit almost any rack

PEXa pipe, Everloc+, pre-assembled balancing manifolds, Firepex, radiant panels & pre-assembled radiant mats, pre-insulated PEXa piping and Geoexchange piping systems

Faucets, shower systems and in-wall valves

Circulators/pumps, valves and controls

Plumbing fixtures, bidets and faucets

VPC Tanks, black steel pipe, galvanized steel pipe, vinyl tubing, water heater connectors, wrapped pipe, Kleer drain

Backflow prevention, pressure relief, pressure reducing, gate, ball, butterfly, globe, float and thermostatic mixing valves, along with specification and light commercial drainage

Stainless steel pipe and drainage systems

Gas connectors and accessories

Leak monitoring systems, including leak defense valves, control panels, point of leak detectors and system accessories

Acid waste piping, drainage systems, and neutralization/dilution tanks

Temperature control solutions

Complete control solutions for radiant floor and baseboard heating and automatic snow-melting systems and multi-stage boiler plants
