PLANNING GUIDE
FOR BIDET SEATS & TOILETS

WITH GEBERIT IN-WALL SYSTEMS

KNOW HOW INSTALLED

For designers, architects, showroom consultants and contractors with renovation or new construction projects involving Geberit in-wall tank and wall-hung toilets and who want to combine with bidet seat or bidet toilet function from another brand.

This guide covers everything you need to specify, plan, and source:
– Compatible brands and combinations of toilets, seats and Geberit in-wall systems
– Plumbing and electrical diagrams for rough-in and trim out

Use the index to match up seat or toilet brand and models to the compatible Geberit in-wall system, rough-in diagrams and materials list.
