

AMERICH.

Bathtubs including freestanding, drop in, alcove skirted, walk in, undermount and hydrotherapy tubs

AEROFOAM®

Thermal insulation and acoustic solutions

Advanced solutions for commercial washrooms, emergency safety and industrial applications

InnoFlue® Polypropylene vent systems

Inflow/Infiltration solutions for manholes & pipes

Brass, steel, PVC, bronze pipe nipples and malleable iron pipe fittings

Flexible couplings, shielded couplings, lateral connections, internal seals, water management and sealants

Toilet repair products including fill valves, flush valves, flappers, repair kits, wax/wax-free toilet seals, tank levers and water supply connectors

Stainless steel and composite sinks along with accessories

In-wall carriers, bath waste and trap systems

Floor drain solution that provides protection against harmful sewer gases and contagious pathogens

Bathtubs and shower bases, including freestanding, ROC, drop in- skirted and vintage tubs
Stainless steel fixtures designed for use in the most demanding environments

Stainless steel fixtures designed for use in the most demanding environments

Contractor-preferred power tools, accessories and jobsite equipment

Gas fired tankless water heaters and boilers

Complete offering of bottled and pressure water coolers & point-of-use stations for schools, offices, hospitals, municipal buildings, etc.

Offers a wide variety of products for the plumbing sector

Blocking plugs, bypass plugs, specialty chemicals, testing equipment and accessories

Brass tubular, plastic tubular, bath waste and overflow, baskets and sink strainers

Toilet bowl setting wax, gaskets, bolts, supply box accessories, thread sealants, putty, caulks and water barriers

Cements, primers, heating chemicals, anti-freeze, Johni-rings, Johni-bolts, and thread sealants

Pipe insulation solutions for residential, commercial, and copper plumbing and HVAC application

CSST gas system using stainless steel gas tubing for natural gas piping and propane

Shower drains, freestanding tub drains, and bathroom accessories

Advanced tie-down available for truck and van racks with multiple mounting styles to fit almost any rack

PEXa pipe, Everloc+, pre-assembled balancing manifolds, Firepex, radiant panels & pre-assembled radiant mats, pre-insulated PEXa piping and Geoexchange piping systems

Faucets, shower systems and in-wall valves

Circulators/pumps, valves and controls

Plumbing fixtures, bidets and faucets

VPC Tanks, black steel pipe, galvanized steel pipe, vinyl tubing, water heater connectors, wrapped pipe, Kleer drain

Backflow prevention, pressure relief, pressure reducing, gate, ball, butterfly, globe, float and thermostatic mixing valves, along with specification and light commercial drainage

Stainless steel pipe and drainage systems

Gas connectors and accessories

Leak monitoring systems, including leak defense valves, control panels, point of leak detectors and system accessories

Acid waste piping, drainage systems, and neutralization/dilution tanks

Temperature control solutions

Complete control solutions for radiant floor and baseboard heating and automatic snow-melting systems and multi-stage boiler plants
